

Job title: Nurse Sonographer	FLSA Status: Non-Exempt
Reports to: Nurse Manager	Position Supervises: N/A

Clearway’s mission is to help women make one of biggest decisions of her life—what to do with her unplanned pregnancy. Our free medical clinics are staffed by specialists in early pregnancy counseling and diagnosis and our services include ultrasound, pregnancy testing, abortion pill reversal, STD testing, prenatal classes, and post-abortion counseling. We are deeply passionate about helping women make life-affirming decisions. Although we do not provide or refer for abortions, we support each woman regardless of the decision she makes about her pregnancy. We have faithfully served greater Worcester County since 2000 and expanded into Springfield in 2018. Our clients have come from 100+ towns, including neighboring states, demonstrating the great demand for our services. Our clients also represent 54 different nations—so we are reaching the world from right here in Massachusetts.

Non-negotiable characteristics of a person well suited to join our team of compassionate and hard-working professionals include some of these qualities: a mature Christian with impeccable integrity, detail oriented with excellent time management and decision making abilities.
